

Whitehall Sustainability Committee (WSC)

Minutes

Wednesday, April 13, 2022 at 1pm

Meeting was at the Borden conference room. Attendees: Tom Harrington, Allissa Christensen, Liz Pullman, Erin Carbajal, Kristi Wilson, Eric Seidensticker, Chuck Buus, Hannah Nieskins, Colton Anderson, and Jeanie Farris.

Liz Pullman called the meeting to order at 1 pm. March minutes were approved.

1. Old Business

- Updates to the application and website have been made

2. New Business

- Allissa Christensen presented on behalf of the Town of Whitehall the "Let's Go Play Whitehall" park proposal.

- The proposal is to build a public playground. Requesting \$35,000.00 from Barrick, has requested other funding from Town Pump (25k), Whitehall Tax Increment Fund (25k), The Tony Robbins Foundation (10k), and has successfully been approved for \$20,000.00 from the Dennis and Phyllis Washington Foundation.

- Questions were raised to Allissa to take with her, answer, and get back to us; Who owns the property? What is the lease? Would like to know the dimensions of the playground equipment and layout etc.

- It was stated that only the group present today gets to vote on this proposal.

- Presentation and proposal will be added to the website.

- Allissa will answer questions->committee votes->Liz and Hannah tally up the points->they will send the project up to Barrick.

- Noted that JLDC will have Lindsey G. ready to present at the next meeting.

Adjourn 1:55pm. Next meeting will be May 11th, 2022, at 1:00 pm in the Borden's Conference room.

The goal of the Whitehall Sustainability Committee is to nominate long term community development projects for consideration by Barrick
